JULY 2020

## FISHBOWL CHALLENGE 2020

UNDERGRADUATES & GRADUATES

 JULY 15, 2020

The challenge invites students to join teams from around the world and solve global problems through their collaborative effort. Candidates are required to submit a paragraph expressing their interest in one of the given problem areas. 100 shortlisted candidates will be invited to go through a team formation process and then begin the first round of the project. Winners will join a fully funded summer program to bring their ideas to life.
